

## Our grounds maintenance service is provided by Nurture.

The team works in our communities across Kent to make sure our outside spaces are green, tidy and enjoyable for residents.

Their work will be monitored regularly by our resident inspectors. Once every three months a report is written, and actions are taken based on the feedback received.

Please remember that communal grass, parking areas and alleyways should not be used for storing your personal possessions. These areas must be kept clear to avoid personal possessions being mistaken for rubbish and cleared away.

This sort of work is often dependent on the weather so please be patient if they are slightly delayed.

For more information, email [help@wkha.org.uk](mailto:help@wkha.org.uk) or call 01732 749400.
