## Jubilee event

Recently, communities up and down the country celebrated the Queen's Platinum Jubilee. We wanted to ensure that St. Mary's residents had the opportunity to celebrate too. So, to celebrate the Jubilee and thank local residents' for their involvement in West Kent's pilot work in the area, we organised a community get-together in Cherry Avenue park.

## Mums into business

Are you looking to start a business or find a second income? Join mums into business, where you can learn everything you need to start a business.

The project starts 14 September and runs for eight weeks at **Swanley Children's Centre, Swanley, every Wednesday, 1-3pm**. A free creche is provided and lunch is included.

Residents could also find out more about how to get involved with our community projects in St. Mary's.

Overall, the day was a huge success with an estimated 175 that attended, and the positive feedback was fantastic to hear. Thank you to everyone that came, and to those that didn't, we hope you see you next time!
